

Greetings from Banamichi, we would love to share what the Lord is doing here. Thankyou for coming along side and supporting us in prayer. God is faithful!

It has been a busy time for us these last couple of weeks. Samana Santa is a big deal around here and it is a great time for camp. The theme for the camp was every Christian a missionary, a theme which we really feel as missionaries. It's not only about the pastor or the missionary but everyone is called to reach out to those around them. The burden of our hearts by the in dwelling Spirit is ever present to share and proclaim. We have this Blessed Hope and are awaiting Christ's return.

At least 3 times in the bible it talks about the feet of those who share the gospel. Lord help us to be faithful.

Isaiah 52:7

How beautiful on the mountains are the feet of the one who brings good news, who publishes peace, who brings good news of happiness, who publishes salvation, who says to Zion: Your God reigns.

Nahum 1:15

Behold, on the mountains, the feet of the one who brings good news, who publishes peace!

Romans 10:3-17

13 For "everyone who calls on the name of the Lord will be saved."

14 How then can they call on him in whom they have not believed? And how will they believe in him of whom they have never heard? And how can they hear without a preacher?

15 And how will they preach if they are not sent? As it is written: How beautiful are the feet of those who announce the gospel.

When you really believe that God is not willing that any should perish, our desire should be the same as His, and we have the Good News to share with others. Everyone !! Rob and I both had the privilege of doing classes, and I did my classes with painting which went along with the theme of sharing right the gospel to those around you right where you are and being a light to the world.

The camp was well attended about 120 people in the evening meetings. Fifteen young people made decisions. Some of these were first time attendees.

It's also been exciting to be a part of the new works starting in Hermosillo. We did classes there as well and the theme there was A transformed life , a New Creation...we painted Butterflies and the guys put together butterfly shelves. The butterfly is such a beautiful picture for us about being a new creature, not just remodeled but brand new.

The students and graduates from Guaymas at Miguel's school(Miguel and Belia too) all came to help Genesis and Bruno who have a new work and they are also starting to share in another work in another area in Hermosillo, it is awesome to be with people who have a desire and a vision for reaching the lost.

Back here in Banamichi, I have been really encouraged because one of the ladies from has asked me if she can go out visiting and sharing with me. We have started to do that twice a week, and my personal desire is to visit on my own as well. Please pray for us in that. Pray for good health and for things not to get in the way of ministry. Please also pray that we will be known by our love. One of the ladies we visited came to the ladies Bible study and another that I invited was at church this morning, so that is exciting. Please pray that the Lord would draw people to himself.

We also had a great time with Ike and Luan coming to visit and also our friend Joan Reid, the people already have a relationship with Ike and Luan , and Joan shared her testimony with the ladies... just awesome. They make an impact on the people here. It was a joy to have them. Also we met up with some friends from Canada who came by sailboat to San Carlos, and I believe the Lord touched there lives through our friends there. Praise the Lord !

Please pray that we will always be faithful.
For the church in Banamichi to grow.
Thankyou for your love and prayers for us and our family.
In our Christ Jesus
Rob and Wendy
