## Southwest College of Biblical Studies

Southwest College of Biblical Studies is the academic arm of CORR Ministries.

**This is the BIBLE COLLEGE page.**

**We have been offering these college courses to prison inmates for many years. It all started at Richard J. Donovan Correctional Facility in San Diego, CA.**

**The courses were taught on-site. As the inmates began to be transferred to other institutions, the lessons were converted into a correspondence format, and were mailed all over the state of California.**

**These same courses can now be taken by anyone, whether in prison or not.**

**Preview Lessons are available on this site. You complete them and either mail them or email them to us. That starts the application process.**

# Bible Lessons

**Terms of Use:** These lessons are for the general free for you to use, copy, or distribute as long as you attribute them to me. You may not sell them or redistribute them as your own.

The lessons in this section focus on **Bible Study Methods**. Our intent is not so much to tell you what the meaning of the Scripture is, but rather, to equip you to pull out the truths yourself.

If you would like more in depth or accredited courses check out our [Southwest Bible College](#) section.

## Subject Studies

This is the BIBLE LESSONS page.

There are many Bible lessons for your use on this page. They can be printed out for your personal study use. These same lessons are being made available to prison inmates through their chaplain. We send the lessons to the chaplains.

These lessons were made available to prison chaplains during the COVID restriction days.

We all need to get serious about studying the Bible. We do not grow without feeding on the Bible. These simple lessons will help you with that.

These lessons on slide #3 cover subjects taught in the Bible.

**These lessons on slide #4 cover the actual study of Books of the Bible.**

**The whole purpose of the Bible Lessons section is NOT to cover every book of the Bible. It is designed to show people how to study and give them samples.**

**These lessons are planned to excite you about studying the Bible, and then motivate you to do your own studies.**

**IF YOU ARE NOT SERIOUSLY STUDYING THE BIBLE, YOU ARE TOO BUSY AND YOU ARE NOT GROWING.**

# Other Resources

Here are some other resources that could help you in your journey with Christ.

# Remember Those In Prison

CORR Ministries: Resources for prison Chaplains, prison volunteers, and others interested.

## WHY WE LOVE PRISON INMATES

1. We love prison inmates because **God told us to**. Check out 2 Corinthians 5:14. The love of God “constrains us” (puts the squeeze” on us. He puts a love in us that I cannot explain nor get rid of.
2. We love prison inmates because **they are no different than we are**. I had problems with my dad; I stole things from stores; etc. God loved me through all the years; God loves inmates the same way through all their years.
3. We love prison inmates because **there are many prisoners listed in the Bible**. Joseph was in jail; Jeremiah was in jail. Neither one of them deserved to be there. God loves prisoners.
4. We love prison inmates because **very few out there in the Christian community love them**; we get the privilege to represent many people inside the prisons.
5. We love inmates because **they love back; they forgive back; they hug back**;
6. We love prison inmates because **God believes in second chances**, and allows us to spread that news to them.
7. We love prison inmates because the writer of Hebrews told us to “remember those in prison”.

**This is an example of one of our BLOGS.**
